Sir,

I have the honour to state that Government in their order No L 9110-13/M1 13-35-92 dated 29-5-1936 sanctioned (1) the continuance of the appointment of the Chemist on Rs 75-5-100 plus Rs 15 C A on a permanent basis and (2) the confirmation of Mr C Anandarama Rao, M Sc, the present incumbant in the post with effect from 1st June 1936 The Health Officer in submitting the representation of the official reported on 6-11-1943 that the official has reached the maximum pay of the grade on 1-6-1941 and in view of the incumbant's good work it may not be fair to allow him to stagnate at the maximum pay of the post and that as there are no chances of his further advancement, the pay of the post may be revised and fixed at Rs 100-10-150 and the official be given one advance increment with effect from 1-11-1943 My predecessor in office recommended the grant of the proposed graded pay but the Managing Committee before whom the proposal was placed resolved on 16-12-1943 as follows

"Resolved that he may be recommended a graded pay of Rs 100-5-150 with effect from 1st January 1943" The Municipal Council in their resolution No 419 dated 23-12-1943 approved the resolution of the Managing Committee with effect from 1st November 1943 I enclose herewith the copies of their resolutions for your information
